Chapter 1

Kiana felt dizzy, tired. Exhausted yet filled with *ecstasy*.

Quite literally, filled.

Maybe it was because of the excitement or the harsh slam of Mei's hips against her own as she burrows her cock deep in her vagina.

Mei's soft pants as she ruts against her while Kiana whispers even softer compliments, the ones filled with love, with desire and passion.

"Kiana-" Mei tries to pull out, tries to make sure that there were *no* accidents in her wake. But there were legs wrapping around her waist, tempting her to push deeper into the smaller woman who gave her a vulpine smile.

"Tsk... What is this I am seeing Mei? Are you scared your pretty little dick is going to get me *pregnant*?" Kiana says with a hand raised near her lips, mockery dripping from her words. A sharp contrast to the words uttered from the white head a while ago.

"She is taunting you, fool."

An inhumane growl whispers in the back of Mei's mind, primal and filled with lust. Her mind blanks out for a second as she feels Kiana's cunt tighten just a little more around her, teasing.

"Breed her, ruin her, mark her as ours. *OURS!*"

"What's with the wai- Ah!" Kiana stutters, a grunt escaping her mouth as a brutal pace was set about by the raven head. One which made her see stars from the corner of her eyes.

"Ah! Ngh-" The white head moans, tongue rolling out with saliva tempting to drip out and ruin the already wet and messy sheets even more.

"So- hah... What is it you were saying?" Mei grunts out as she palms and toys around with Kiana's breasts, hands sliding up and down towards her ass. Her hand gropes the pale mass of flesh, she was almost tempted to slap it, make it red from the force of her palm.

So she did.

Slap!

A down right filthy moan tears out from Kiana's mouth, tears glistening bright making her cerulean eyes glow like gems. Mei grunts as she feels her tighten around her dick, her control almost slipping out then and there but she powers through.

"Fuuck! I knew you would like it, you whore!" Mei chuckles devilishly, her free hand making itself familiar with the Kaslana's mouth as she toys around with her tongue. She feels the saliva coat her finger, making a lewd squelching sound.

Mei feels like its ready.

A wet pop resounds in the room as she pulls out from Kiana's dripping cunt. Kiana makes a confused noise as she feels the emptiness inside her, a feeling of something *really* important missing.

"Turn around." Mei orders her, her voice almost cold enough to make her shiver. Whether it was from excitement or from fear of what's to come was unknown to her.

She turns around, giving Mei the view she desired the most. Even with the drool dripping down from her lips, tear stains and her entire fucked out look she still looked as appetizing and *fresh* as her any other version. Even more tempting and lust inducing as her Herrscher counter part would like to say.

Mei caresses her cheek, giving her a much needed break. Kiana pushes into the width of her palm, nuzzling and purring like a love starved cat.

Unfortunately for her, the break didn't last for long.

The same loving hand forces her down the length of Mei's cock. Her saliva making a good lubricant for the process. She feels the cock bump against the back of her mouth, making her gag reflexively.

"Hah... That's better baby girl..." Mei moans quietly, aroused out of her mind as she sees her girlfriend choke on her dick. It was akin to fucking a small sex toy.

Kiana licks the underside of her cock, trying to swirl her tongue around the length of raven head. But the girth was not enough to give her enough movement space.

Mei feels it, a burning sensation centering around her dick. She lifts Kiana's head and pushes down again, repeating the process. She sees how Kiana closes a single eye and watch her from the other as tears pool around them yet again.

Her dick pulsated, she pushes her head down to the base of her length. Hot and white semen bursts into her throat. Kiana feels the white liquid slip down from her throat and down to her stomach as Mei pumps out more into her mouth.

"Don't waste it." Mei smirks, as slips her cock out of her mouth and slaps it against her closed eye. Smearing the white cum which was lathered around it. She sees the bob of her neck, the way she closes her eyes and swallows her semen. A satisfactory smile roses when Kiana opens her mouth to show that she hadn't, in fact, wasted any of her cum.

"That's it, that's a good girl..." Mei coos out, rubbing Kiana's head with her clean hand. A small blush spreads across the white head's face as Mei continues to shower her compliments. The heat inside her belly burns slowly as the intensity of the moment starts to set in. Her cunt drips from the precum of Mei and the love juices of her own, fluttering around nothing.

Kiana whines, needy, a feeling to be filled. It burns deeply as she wraps her hand around Mei's neck, rubbing her sopping pussy against the raven's heads still hard dick.

"Want some more?" Mei asks, her voice a lot more gentle and loving than before. Kiana nods shyly, her dominant persona utterly destroyed by the raven head.

Mei smiles, a victorious smirk on her lips. She gently aligns herself with Kiana's entrance, teasing her with the tip of her cock.

"Mei..." Kiana whines out, she tries to push herself down the length of her girlfriend. All the previous activities had made her lust crazy, her mind devoid of anything but the feeling of wanting to be filled. To be fucked and used. To be fucked full of cum, full of all and everything that was Mei.

A hand places it self firmly on her stomach as Mei clicks her tongue in annoyance.

"What do you think you are doing?" She questions with an irritated face, the hopeful feeling that Kiana had starts crumbling as she feels the head of her dick slip away.

"No! No I am sorry! Please don't do this-" Kiana cries out, genuine tears pools under her eyes. A feeling of abandonment starts creeping in her heart when she sees the raised eyebrow of her girlfriend.

"Do what?" Mei asks yet again, a teasing hint to her voice.

"Such a sadist, dear host." The Herrscher notes amusedly, feeling a hint of pity when she sees Kiana babble apologies.

Mei hums, placing her hand under her chin. Seemingly assessing the situation on hand.

"What do you think I should do then? Tell me." Mei says nonchalantly, moving her hand towards pink nubs resting atop Kiana's chest. Her finger toys with it, pushing and pinching.

"I would not d-do it a-again... So p-please let me..." Kiana mumbles, pleasure spiking as Mei twists her nipple.

"Let you?" Mei encourages her to complete her sentence, groping Kiana's breast lazily.

"Let me feel your cock inside me..." The Kaslana says, not a hint of shame in her voice. Showing how utterly *broken* she had become under the commanding hand of Raiden Mei.

"Alright, if that is what you want, baby doll." Mei smirks, ramming herself inside the shorter woman.

Another day, another filthy chapter

It was all too sudden. The way Mei's hips snap forward to meet Kiana's own in the form of a brutal thrust. It certainly knocks the air out of her lungs.

Kiana gasps, choking on air as Mei slowly drags her cock out before hilding in again, burying her dick deeper in her vagina.

Mei notices how her girlfriend's toes curl in cutely, she finds a small smile creep up to her lips. She feels arousal, its deep dark claws scraping against the thin wall of patience Mei possessed.

She wanted to see more.

"Ngh- Mei!-" Kiana barely calls out when a hand lingers around her throat. She feels woozy, even more so than before because of how the slow pace quickly changes into a brutal piston. Mei's lithe finger curls around the expanse of her neck, choking, tightening more and more by each passing second.

She groans, or at least tries to groan, because it comes out more as a whimper. Mei shifts around, now eyeing the white head directly from above her.

Kiana feels a particularly sharp thrust, one which pokes at her cervix and she knew then and there that she would probably not be walking the next day. Which was honestly not good because she had a meeting with Fu Hua and-

The fingers surrounding her neck tightens yet again. Kiana coughs, or at least tries to. Heaving, as Mei looks at her with an annoyed face.

"What are you thinking?" Mei asks suspiciously, not at all stopping her movement. Instead, she hooks one of Kiana's leg over her shoulder, trying to bury herself deeper and deeper in her wet cunt.

"N-Noth-"

A harsh spank was delivered on Kiana's hip, making the white head shudder from the stinging pain.

"I asked 'What were you thinking'."

"It's r-really nothing M-Mei..."

Mei hums, her hand travels from her hips to the curve of her back and back to her neck. Kiana shudders as she feels her thighs tremble from the force of Mei slamming into her. She could feel the bump from the head of Mei's cock against her womb and it was driving her absolutely nuts.

Mei grunts, pistoning even faster as she feels herself reaching her own climax. Her hand tightens around Kiana's neck and her free arm pulls the smaller woman towards her by the bruising grip she had on her thigh.

"Ngh-!" Kiana stifles a moan, tightening her hold around Mei. Mei curses as she hilts her entire length inside the woman, emptying her seed inside Kiana's womb.

For a while, all Kiana could see were the stars from the corner of her eyes. The slow drag of Mei's index finger around her toned stomach makes her shiver a little as it drags over from her tummy and down to her cunt.

"H-Holy fuck Mei... With that much cum, I would get pregnant..." Kiana mutters weakly, wiping the sweat from her forehead.

At least it was quiet.

A little too quiet.

"Wh- Hah!"

Kiana whimpers weakly when she feels Mei's dick enter her vagina once again. Completely stopping the semen inside from escaping. Kiana feels it slosh around inside herself as hints of her seed started to leak and drip on the bed.

The hand on her thigh had a bruising grip, leaving marks in its wake. Tears threatened to escape from her eyes as she tries to lift her head and match Mei's own.

Her previously warm purple eyes had changed. Instead of the familiar violet, there was a pink hue to it. Shining, it was as threatening as the smirk on her "girlfriend" 's face.

"Wh-What are y-you doing..." Kiana asks, trying to put force behind her voice. It wasn't like she was going to walk for at least 2 days from now but now that the Herrscher was in control... Kiana feared she might have to take a much longer break than intended.

"What am I doing? Huh... For now I am doing you." 'Mei' says with a smirk that was all too familiar. It was the same taunting and mocking smirk the Herrscher held all the way back in Nagazora.

Her cheeks flushed with shame as another ragged moan was torn out from her throat, her body quaking from the force. 'Mei' growls at the lack of response, leaning down to bite the

junction between her neck and shoulder. Her fangs extended, making her seem more like a vampire than a human.

She takes in the completely fucked out and yearning expression Kiana held on her face before she dives in, piercing her skin to place a mark which would take days to heal.

"Guh- What the hell!-" Kiana whimpers in pain, promptly trying to push the raven head away. The hand on her thigh tightens, making the white head groan in pain.

Taking notice of the damage she was probably doing, 'Mei' pinches Kiana's nipple. Twisting and rolling as she tries to increase the pace to provide pleasure to her lover. She feels like she is close, again.

Kiana's eyelids dip as she nibbles on her lower lip to stop herself from screaming. A shuddering moan escapes her mouth as she feels familiar warmth gushing inside her, completely stuffing her full of her lover's cum.

The Herrscher on top stutters to a stop, plugging Kiana's cunt which threatened to leak at any given point.

"I'll get p-pregnant at this rate you crazy-"

Kiana was a little pissed, but a small kiss from the other woman was all it took to melt her anger into love all over again.

"I wouldn't mind having a child with you, Kiana~" 'Mei' or Mei, whosoever it was, grins smugly. A feeling of pride bursts within her after seeing the state of her girlfriend, she wouldn't have settled for anything less than this.

"Shut up..." Kiana mutters shyly, turning her head towards the right to break eye contact with the taller woman.

Mei chuckles, nuzzling Kiana's neck as she pulls herself out from Kiana. To be honest, she was tired beyond belief right now but someone had to clean her girlfriend.

And that someone was her of course.

Ignoring the protests from her body, Mei slides out of the bed and goes to the bathroom to grab a few wet towels to clean herself and Kiana.

"Fuck... This was a crazy night..." Mei mutters to herself, grinning when she saw the angry red marks on Kiana's neck and her thighs.

"Crazy is an understatement, you big meanie..."

"Aww~ Don't pout darling, I might just fall in love again~"

"N-No! Stop, Mei!" Kiana giggles as she tries to kick her away who was all too busy in trying to tickle her.
